|  | CDMF+CMH series is a new generation of high-efficiency non-self-priming high-pressure pump independently developed with reference to European standards. The product adopts a new industrial design, and the energy efficiency index reaches MEI ≥0.7, which has the characteristics of energy saving, low noise, environmental protection and compact structure, beautiful appearance, light weight, convenient use and maintenance, and high reliability. |

### Nameplate parameters

|                  |                     |
|------------------|---------------------|
| Flow             | 3 m <sup>3</sup> /h |
| Head             | 280.2 m             |
| Efficiency       | 58 %                |
| Speed            | 2900 rpm            |
| Number of stages | 16                  |

### Technology

|                    |      |
|--------------------|------|
| Pump rotator speed | 2900 |
|--------------------|------|

### Material

|               |     |
|---------------|-----|
| Impeller      | 304 |
| Rubber code   | P   |
| Material Code | S   |

### Installation

|                            |            |
|----------------------------|------------|
| Connection Code            | K          |
| Installation type          | card cover |
| Maximum Operation Pressure | 50bar      |

### Medium

|                                       |             |
|---------------------------------------|-------------|
| Medium Temperature normal temperature | -15°C+70°C  |
| Medium Temperature high temperature   | -15°C+120°C |
| Maximum Environment Temperature       | 40°C        |

### Structure dimension

|                           |                                                                                |
|---------------------------|--------------------------------------------------------------------------------|
| Inlet & outlet size types | DN                                                                             |
| Inlet & Outlet Diameter   | DN32                                                                           |
| Rotation Direction        | CDMF rotates anti-clockwise viewing from motor side and CMH rotates clockwise. |

### Motor

|                         |             |
|-------------------------|-------------|
| Number of Motor Phase   | Three Phase |
| Protection Class        | IP55        |
| Insulation Class        | F           |
| Motor Power(kW)         | 1.5+3KW     |
| Energy Efficiency Level | IE3         |

### Seal

|                 |                |
|-----------------|----------------|
| Mechanical Seal | CDLA-12/WB1F14 |
|-----------------|----------------|

|                                                                                                   |                                                           |              |                                     |
